Subject: **Partial Financial Support for [Student Name]**

I, [Sponsor's Full Name], am writing to confirm my intent to provide partial financial support for [Student Name], who has been admitted to Huntington University for the fall semester beginning [date of first day of classes]. He will be pursuing a Bachelor of Science in [Student Major].

I understand that studying in the United States involves significant financial obligations, including tuition, fees, living expenses, and other costs. While the student's parents will cover part of these expenses—as evidenced by the bank statement they have submitted—I will contribute [\$0000.00] toward his costs.

Attached to this letter is a bank statement to demonstrate my financial capacity to provide this contribution.

I understand that this letter will be used by Huntington University to issue Form I-20 and may be presented to the U.S. Embassy or Consulate as part of the F-1 visa application process.

Please feel free to contact me if further information is needed.

Sincerely,
